Hi, I'm Jeremy. I went to Walt Disney World in Orlando, Florida with my family last summer. It was my favourite vacation. It was a long trip and since my mother was afraid of plane, we took my dad's camper. There are four main parks at Walt Disney World: The Magic Kingdom, Epcot, Hollywood Studios, and Animal Kingdom. We went on attractions in these theme parks and I had lots of fun. We went on rides with my dad and siblings. We went on Splash Mountain and rode on logs. We went through a tunnel. At the end of the tunnel, everyone got wet. It was a breath-taking experience for me. At the theme parks, we saw different Disney characters. Dad took many photos of me with them. At Epcot Centre, we watched spectacular fireworks show and had fun. The shows were amazing and the land itself was so pretty. This was one of the most unforgettable vacation for all of us and we were contented with being there.
