## Ayşe ve Kitapları

Ayşe, kitap okumayı çok severdi. Gittiği okulun yakınında bir kırtasiye vardı. Annesiyle birlikte bu kırtasiyeye giderdi. Her ay üç tane kitap alırdı. Masal ve öykü kitaplarından alırdı. Hangi kitabı alacağına bazen karar veremezdi. Çünkü kırtasiyede fazla kitap vardı. Aldığı kitapları zevkle okurdu. Ayşe, kitaplarını çok temiz kullanırdı. Yatmadan önce muhakkak kitap okurdu. Okumaya başladığı bir kitabı beş günde bitirirdi. Kitabı bitirdikten sonra annesine anlatırdı. Şimdiden kitaplığında seksen tane kitabı olmuştu. Kitaplığı kitaplarla dolmuştu. Okuduğu kitapları ise arkadaşlarına ödünç verirdi. Özellikle Mert her hafta Ayşe'den bir kitap alırdı.
